

**MOI UNIVERSITY
OFFICE OF THE DEAN OF STUDENTS**

INTERNAL MEMO

FROM: DEAN OF STUDENTS

DATE: 8TH OCTOBER, 2020

TO: ALL STUDENTS

REF: MU/SWO/COV/91

**SUBJECT: RESUMPTION OF LEARNING & COVID-19 PANDEMIC PROTOCOLS
& GUIDELINES**

Following the directive by the Ministry of Education to reopen the Universities for face to face learning, we wish to remind you that the COVID-19 Pandemic still poses a threat to our health and as a result we need to embrace the “**new normal**” measures for the benefit of all of us.

I therefore wish to communicate the following directives to all students as they report back for the learning:-

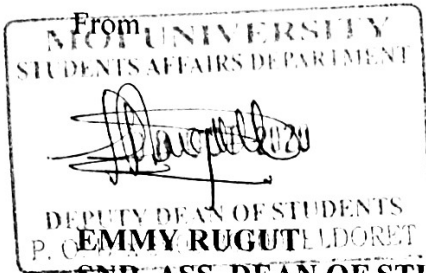

- a) All students must come with enough supply of masks(Surgical or Re-usable) and must be put on appropriately at all times and especially in lecture halls, halls of residence, dining halls, library, laboratories, social halls in and enclosed or congested areas.
- b) All students must have some sanitizing liquid for use in order to keep clean and maintain some level of hygiene.
- c) All students must avoid unnecessary travel or movements within or outside the university.
- d) All students must strive to avoid shaking of hands, hugs and intimate embraces.
- e) All students must observe and practice social distancing at all times (1.5 Metre distance is recommended).
- f) All students must wash their hands with soap for 20 seconds at designated areas under running water.
- g) Students must always seek medical attention urgently if they are not feeling well.

Strict adherence and observance of the health regulations provided by the ministry of health and the university is vital in fighting this pandemic.

ISO 9001:2015 CERTIFIED INSTITUTION

I wish you all a safe stay at the university and may we all seek God's intervention in this current situation.

All the best as you embark on your studies.

SNR. ASS. DEAN OF STUDENTS
